#SpringBreakCamp2019

Microsoft® in collaboration with Miami Dolphins Defensive Tackle, Davon Godchaux, hosted a business development workshop with youth from Gang Alternative, Inc.'s Spring Break Camp. The GA service pillars highlighted in this workshop were Positive Youth Development and Workforce Development. Godchaux started the workshop speaking about his own foundation, Chauxdown Foundation Inc., an organization that provides at-risk youth with programming that supports their education, fitness, and overall well being.

GA youth were asked to identify a cause that they are passionate about. They were subsequently asked to prepare a business plan which included: (i) developing fundraising strategies; (ii) creating a pitch to promote the organization; and (iii) brainstorming the steps necessary to work that plan. At the end of the workshop, youth used Microsoft PowerPoint application to present their business models to the Microsoft team. Godchaux provided constructive criticism and motivation to youth, encouraging them to follow their dreams.
